- **Business Analytics:** Sales Insights, KPI Tracking, Performance Reporting, Dashboard Development
- **Soft Skills:** Communication, Problem-Solving, Stakeholder Management, Analytical Thinking, Team Collaboration

## Projects

### Insurance Claim Dashboard (Power BI)

- Built a BI dashboard to track insurance claims, coverage, and settlement trends.
- Applied DAX and visualization best practices to improve reporting efficiency.
- Identified process bottlenecks to support smoother operations.

### Candidate Application Analytics Dashboard (Power BI)

- Developed an interactive dashboard to analyze applications by role, platform, and salary.
- Visualized shortlist rate and hiring trends for better recruitment insights.
- Provided actionable insights to improve recruitment processes.

### LinkedIn Job Market Intelligence Platform

- Engineered automated web scraper collecting 500+ daily job postings using Python & BeautifulSoup.
- Implemented smart filtering to identify roles with <10 applicants and 0-2 years experience using Pandas.
- Built interactive dashboards with Plotly/Matplotlib to visualize skill demands and market trends.

## Experience

**Data Analyst Intern, Cavin Infotech, Chennai** Jul 2024 – Sep 2024

- Developed enterprise-scale Power BI dashboards across multiple departments.
- Optimized SQL queries and data models to support reporting.
- Automated recurring reports to improve efficiency.

**Data Analyst Intern, Iconix Solutions, Tirunelveli** Jul 2023 – Aug 2023

- Cleaned and validated large datasets for accurate analysis.
- Built recurring Excel dashboards to monitor business data.
- Provided insights to support business strategy and operations.

## Certifications

- Complete Guide to Power BI for Data Analysts – Microsoft Press
- Excel Essential Training (Microsoft 365) – LinkedIn Learning
- SQL Fundamentals – LinkedIn Learning

## Leadership & Achievements

- Organized “Multiverse of Madness” CSE Symposium (2023)
- Represented college in Youth Festival Singing Competition (2023)
- Attended technical workshops and symposiums (2022–2024)
